**Grant Request Amount**     \$75,000.00

**Please provide us with a brief description of your organization (no more than 500 words).**

The Dunedin Friends of the Library is a vibrant, dedicated, and diligent organization which provides funding and support to the staff and programs of the Dunedin Public Library. The Friends of the Library is a non-profit, 501(c)3 organization founded in 1962. The Friends of the Library enables the Dunedin Public Library to enhance their services, programs, and opportunities to the community at large. This culturally and economically diverse population, which the Library serves, benefits greatly from the hard-working efforts of the Friends of the Library in conjunction with the Library staff.

**Grant Purpose (one paragraph)**

The purpose is to install a new playground on the Dunedin Public Library grounds. The current playground is well-loved but is definitely showing its years and its wear and tear after years of use. The current playground is 11 years old and requires updating and replacement to meet current safety standards and guidelines. Dunedin Public Library offers free activities to the youth of our community and has over 300 children and parents pass through for these activities weekly. The playground is a popular meeting place for parents and children to experience outside playtime, picnic lunches, recreation, and social interactions at the tables and benches, which are a part of the playground area. This is an opportunity for young and old to make new friends and meet old friends while they expand their own sense of community!

**Annual Project/Program Budget (if request is for a specific project)**     \$26,000.00

**Annual Organization Budget**     \$69,820.00
