CASA Pinellas was invited to present to the Board of Trustees at the April 10, 2022 meeting. CASA asked for any amount funding assistance with completing the financial obligation on a physical build out of a new location to house their program, The Family Justice Center. This new location in St. Petersburg will provide one-stop assistance for victims to speak with legal, police, school, financial, and other necessary partners when a victim makes the difficult decision to leave their abuser.

After careful deliberation, the Board unanimously voted to approve a grant in the amount of \$500,000.00 to claim naming rights to the Lobby of the new Family Justice Center. The funds are to be paid by October, 2022. The Board looks forward to seeing this new community resource help many families in need.
