"Where Possibility and Opportunity Meet"

CASE STATEMENT

A premier college-preparatory high school in the Diocese of St. Petersburg, Clearwater Central Catholic High School (CCC) has continued a more than 60-year history of dedication to traditional Catholic values, a rigorous academic curriculum, and extensive co-curricular programs. CCC welcomes students of all backgrounds and faiths to experience the comprehensive education of mind, heart and spirit in a safe and nurturing environment. At Clearwater Central Catholic, students prepare for higher education and the global marketplace beyond and consistently rank above Florida and national averages on the SAT and ACT. Annually, 100% matriculate to college, and more than half of graduating seniors are offered academic and athletic scholarships.

OPPORTUNITY/NEED

Built in 1962 to educate approximately 150 students, CCC now endeavors to provide approximately 565 students from throughout the Tampa Bay area with a Christ-centered, values-based academic environment in which they are encouraged to pursue levels of higher education and other lifelong learning experiences. Each year, we strive to keep a balance between affordability and accessibility for our families and the strategic needs of the school.

Over the years, an increasing number of families have found it financially difficult to provide a CCC education for their child(ren). Since 2010, the amount of tuition assistance awarded to students has more than doubled. With recent substantial increases in costs for housing, food and fuel, the requests for financial assistance continue to increase. Our request for a \$20,000 grant from the White Family Foundation will help our most dramatically affected students whose families may no longer be able to afford a CCC education for their children.

Clearwater Central Catholic High School has an established process for annually evaluating program performance in light of predetermined goals. The school will regularly communicate with the Trustees concerning activities at CCC and encourage your presence and involvement at all times. Program oversight is the responsibility of the President.

Respectfully submitted,
