

## **Statement of Purpose / Mission Statement**

---

The mission of the White Family Foundation is to make a positive difference in the state of Florida by supporting qualified education, health care and religious needs of families and individuals.

By providing funding to local educational, health care and religious organizations, the Foundation will make positive changes to people's lives and build and enhance the community in which they live.

In carrying out this mission, the Foundation will identify critical issues that resonate within the community and focus on supporting this mission.
